### **Remarks**

This is a Supplemental Amendment to the Amendment filed on May 25, 2005. The interview held with Examiner Brown on May 26, 2005, is gratefully acknowledged, as are the previous telephone interviews mentioned in the last Amendment. This Supplemental Amendment makes changes suggested by Examiner Brown during the most recent interview. Based on the discussions at the interview, it is understood that in view of the amendments that have been made to the claims the claims will not be rejected again based on the references previously relied on, although a new search may be conducted.

Further and favorable action is respectfully solicited.
